OTHER PROVISIONS NECESSARY FOR DEFINITION OR ADMINISTRATION OF THIS WATER RIGHT:

This right authorizes the diversion of ground water within the Rathdrum Prairie Ground Water Management Area (RPGWMA). Use of water under this right shall be subject to the provisions of the RPGWMA management plan approved by the director, including its conservation goals.

This partial decree is subject to such general provisions necessary for the definition of the rights or for the efficient administration of the water rights as may be ultimately determined by the Court at a point in time no later than the entry of a final unified decree. Section 42-1412(6), Idaho Code.

EXPLANATORY MATERIAL: BASIS OF CLAIM - License

Failure of the right holder to comply with the conditions of Transfer No. 81464 is cause for the Director to rescind approval of the transfer.

When notified by the Department, the right holder shall record the quantity of water diverted and annually report diversions of water and/or other pertinent hydrologic and system information as required by Section 42-701, Idaho Code, and/or the management plan for the Rathdrum Prairie Ground Water Management Area.

The right holder shall accomplish the change authorized by Transfer No. 81464 by April 4, 2017.

Right holder shall comply with the drilling permit requirements of Section 42-235, Idaho Code and applicable Well Construction Rules of the Department.

The right holder shall install and maintain an impermeable liner in the pond to eliminate seepage losses.

When notified by the Department, the right holder shall install and maintain a measuring device of a type acceptable to the Department as part of the diverting works.

The approval Transfer No. 81464 redefines all of the elements of this water right, and the new use of water authorized by Transfer No. 81464 shall constitute the full extent of the right.

EXPLANATORY MATERIAL: BASIS OF CLAIM - Beneficial Use

Failure of the right holder to comply with the conditions of Transfer No. 80086 is cause for the Director to rescind approval of the transfer.

When notified by the Department, the right holder shall record the quantity of water diverted and annually report diversions of water and/or other pertinent hydrologic and system information as required by Section 42-701, Idaho Code, and/or the management plan for the Rathdrum Prairie Ground Water Management Area.

The right holder shall accomplish the change authorized by Transfer No. 80086 by May 22, 2016.
